MEMORANDUM FOR: [REDACTED]

OCS

25X1

SUBJECT

: Visit with Lt. David Wells, USN,
on 9 November 1965

1. Recently I arranged with [REDACTED] for the visit of Lt. David Wells, USN, from FICEUR, Jacksonville, to discuss computer programming of biographic data. This is a very general description of his interest, but Wells requested the opportunity to discuss the matter during his visit to Washington (DIA) next week. [REDACTED] believes that your discussion of CHIVE with him would be appropriate. I met Lt. Wells earlier this year while I was doing my Navy training duty at the FICEUR Center. This is the nature of his contact with me.

2. Lt. Wells' TOP SECRET clearance has been certified to me through channels. Doug mentioned that you might contact someone in OCR at some point to arrange for Wells to have discussions with that group, as well. I will bring Dave to your office shortly after 0930 on the 9th. If you have any questions, please let me know.
